To Whom It May Concern:

Reference for Tong Zou

Tong Zou joined Champions in the summer of 2008 and he completed a Co-op term here as an Internet Researcher, Programmer and Data Analyst. He has proved to be a most reliable and effective member of the IT team.

His responsibilities included:

Analyzing data researched from the Internet. Generate business reports using office tools such as Microsoft Excel and Word.

Interact with complex web pages and upload information into database using Java Programming Language (JDBC).

Participated with the software development team to construct software and web applications using Java-Internet Programming Technology.

Tong Zou is professional and efficient in his approach to work and very well-liked by his colleagues. He is able to work both independently and as part of a team.

His contribution to all areas of company activity in which he has been involved have been much appreciated.

I believe that Tong Zou will make a valuable addition to any organization that he may join and I recommend him without hesitation.

I would gladly answer any request for further information.

Sincerely,

Richard Stevenson
President
